**Tamper Evident Security Seals**

Use these tamper evident security labels to seal the seams of your ATM currency cassette. These labels are offered in red or blue to visually identify either the outgoing or incoming flow of money.

**Security features include:**

- **Activated Seal-"Void Open" message appears only when the label is peeled off the surface of the currency cassette**
- **Detection Pulling-A micro cut allows tampering detection if the ATM cassette lid is opened without removing the label.**
- **Unique Numbering-Each label is variable printed with a different serial number with a detachable 3/8" log tag for cross checking shipments. (100 sequential serial numbers. Sorry, specific numbers can not be requested).**

These tamper evident security labels will not leave any adhesive residue on your currency cassette, eliminating the need for clean up with chemicals or razor blades.

- 100 labels per pack
